

CITY OF FREEDOM DECLARATION

**As we receive today's offering we believe You Lord for:
An awakening in our Valley from slumber and a returning to the Lord.
You are not distant. Your Kingdom is within reach.**

**We declare to the Walla Walla Valley, that you belong to Jesus.
His delight is in you and His desire is for you.
You shall hear the Voice of Many Waters.
He will make a roadway in your wilderness.
And He will pour forth rivers in your dry places.
The praises of our King will echo through your chambers.
The chorus of heaven shall be sung in your streets.
He has put a new song in our mouth.
Many will see and fear and trust in the name of our God.**
