

DECLARATION OVER OUR MISSIONARIES

Thank You Lord for our missionaries and their families.

We ask that you would encourage them and give them:

Understanding, wisdom, courage, discernment, insight, and revelation,

Supernatural strength, ability to learn languages, signs and wonders,

Comfort when lonely, genuine friends, protection, and good health,

Resilience, fortitude, open doors of ministry, favor and breakthrough,

Abundant finances, visa's and permits,

Lift them above obstacles, doubt and fear.

We declare victory and every weapon formed against them will not stand. We ask for Your presence and peace to be tangible in their lives and bless them abundantly in Jesus name.
