

CITY OF REFUGE DECLARATION

**As we receive today's offering we believe You Lord for:
Refuge, strength and help for those in times of trouble.
That You would be a banner of love over our children,
Our strong tower and our deliverer.
And that You would be our salvation, glory, hope
and exceeding great reward.**

**And we declare that you Walla Walla are called as a City of Refuge!
You shall be a City standing on the Rock of Jesus.
You will know His Name and trust in Him.**
